

UV Flatbed Printer

Printer Model	KCP - UV
Printing Size	2500*1300mm
Printer Weight	1250KG
Print Head Type	Ricoh Gen5 Print Head (4 Head)
Printing Color	CMYK+W+V and support multiple color combinations
Printing Height	0mm ~ 80mm (can customize)
Media Weight	Platform 120KG per square meter
Printing Precision	720*900dpi / 720*1200dpi / 720*1800dpi
Lifting Function	Intelligent Ink vehicle lifting, electronic-automatic/manual intelligent induction to test & adjust height
File Format	TIFF (RGB & CMYK) BMP, PDF, EPS, JPEG etc.
Ink System	Continuous ink supply / Volume : 2000ml
Print Head Quantity	3/4/5/6/7/8/12 and can be customized
Printing Speed	High speed mode (4Pass) 24m ² /h ~ Standard mode (6Pass) 15m ² /h ~ High precision mode (8Pass) 12m ² /h
Preposition Accuracy	AC220V (±10%) ; 50HZ ; P : 5000W
Driving Mode	High speed USB transfer interface
Command Language	Microsoft Window 7 x 64
Operation System	ColorGATE RIP9 / PhotoPrint and supporting various printing softwares
Auto Lubrication& Tool Sensor	Temperature : 20o C - 32o C / Humidity : 40-70%
Working Voltage	4230mm*2070mm*1325mm
